AMENDMENT

S I R:

In response to the Non-Final Office Action dated September 9, 2004, please amend
the above identified patent application as follows:

In the Claims:

65. (previously presented) A method for generating a composite image including:
- presenting a first image via a Web interface presented on a browser;
 - presenting a second image via a Web interface presented on the browser;
 - communicating a selection of the first image and the second image to a server via a network;
 - automatically generating a composite image of the first image and the second image at the server; and
 - communicating the composite image from the server to the browser via the network.
